Build A Bug Workshop!

It's time to create your own bug!

Here are your basic ingredients: if you want some extras:

1 head
1 thorax
1 abdomen
6 or 8 legs
2 wings
2 antenna
1 mouth

and...

YOUR IMAGINATION!

Cut out the body parts you want, glue them on a separate sheet of paper, and add some color!

What kind of bug did you make? Does it have a name?
Does it fly, crawl, or swim?
Does it come out during the day or only at night?
What is its favorite food?
