Fossil Camp

June 6-10, 2022

8:00-4:30

Each day we explore a different topic and have active encounters with real paleontologists. Every lesson is followed by interactive activities, including a fossil dig and sorting, on-campus tours, a guided hike and so much more!

Bug Camp

June 21-25, 2022

8:00-4:30

Bug Camp is crawling your way this summer! Through a variety of hands-on activities, interactive lessons, and encounters with experts in the field, campers will learn about the important role these creatures play in our world.

Art-in-Nature Camp

July 1, 2022

10:00-4:30

Create art while learning about science and nature! This single-day camp will explore different art forms and visit on-campus galleries. Campers will leave with an amazing work of art inspired by nature.
