CAMP OVERVIEW

When: June 5-9, 2023

8:00-4:30

Description: Each day we explore a different topic and have active encounters with real paleontologists. Every lesson is followed by interactive activities, including a fossil dig, on-campus tours, and so much more!

Can't make it for the whole week? The ALMNH offers a la carte options for week-long camps. Sign up for any number of days starting at \$40 per day. Visit the online registration page for more information.

CAMP REGISTRATION

FAMILY PROGRAMS AND TRIPS

Junior Naturalist

June 17, July 8, August 19

10:30–12:00, \$8 per child and adult pair,

Grades K–5

Nature is all around us and ready to explore! Junior Naturalists will learn about the outdoors, natural history, and science together with your family in this hands-on experience. Topics will be announced closer to the program dates.

Fossil Day Trips

July 11, July 13, July 17, July 22, July 25, July 29

8:00–4:30, \$35

All ages, minors must be accompanied by an adult

We travel to the Black Belt of Alabama in search of vertebrate and invertebrate fossils from the Cretaceous Age. Participants should be prepared to get wet and muddy as we waded through shallow streams to collect sharks teeth and other marine fossils from stream bed gravel deposits.
